PEER Bearing Earns Recognition as a John Deere 'Partner-level Supplier' and Achieves 15-Year Hall of Fame Award

WAUKEGAN, IL – PEER Bearing has earned recognition in the John Deere Achieving Excellence Program as a Partner-level supplier for 2018 and was inducted into the 15-year Supplier Hall of Fame.

The Partner-level status is Deere & Company's highest supplier rating. Hall of Fame status is given after a supplier attains a Partner-level rating for five consecutive years. PEER was selected for the honor in recognition of its dedication to providing outstanding product quality, service and commitment to continuous improvement. Company employees accepted the recognition during formal ceremonies held on Tuesday, April 16, in Bettendorf, IA.

John Deere Supply Management created the program in 1991 to provide a supplier evaluation and feedback process that promotes continuous improvement. “It’s an honor to be inducted into the 15-year John Deere Supplier Hall of Fame and we’re extremely grateful for the recognition. It’s a testament to PEER’s focus and dedication as a leading supplier to the world’s best agricultural manufacturers,” said Jim Paszczykowski, Global Account Manager.

About PEER
