FOR IMMEDIATE RELEASE
March 7, 2014

**PEER Bearing earns recognition as a John Deere “Partner-level supplier”
and 10 Year Hall of Fame Supplier**

Waukegan, IL – PEER Bearing has earned recognition as a Partner-level supplier for 2013 and was inducted into the 10-year Supplier Hall of Fame in the John Deere Achieving Excellence Program. The Hall of Fame status is given after a supplier attains a Partner-level rating for 10 consecutive years. The Partner-level status is Deere & Company’s highest supplier rating. PEER Bearing was selected for the honor in recognition of its dedication to providing products and service of outstanding quality as well as its commitment to continuous improvement.

PEER Bearing provides agricultural bearings to John Deere’s operations at 15 locations globally. Company employees accepted the recognition during formal ceremonies held on February 18, 2014 in Davenport, IA.

Suppliers who participate in the Achieving Excellence program are evaluated annually in several key performance categories, including quality, cost management, delivery, technical support and wavelength, which is a measure of responsiveness. John Deere Supply Management created the program in 1991 to provide a supplier evaluation and feedback process that promotes continuous improvement.
